Featuring...

ICES would like to thank all the families who give our students a chance to experience their dreams of being an exchange student. You too, can help make a difference in our world and enrich your family by hosting, whether your children are young, teens or have been gone for years. If you are interested in hosting a foreign student this up-coming year, please call Arlette Haupt at 218-384-4096.

Thank you so much!

I want to say thank you to everyone who made my dream as exchange student into a wonderful experience. Thank you to ICES, the Organization which helped me to do this in all things that I needed to be able to go to the USA to my High School, in Esko, MN.

Most of all I'm really thankful to my Host family the "Tumbers" who decided to take me as foreign exchange Student. I really appreciate it! Thank you to Tricia my Host mother for helping me in all kinds of things I needed help with. Especially in the beginning when school started without her help it would have been way harder to decide things. I also enjoyed laughing with her about funny and weird things.

Thank you to Bob my Host Father for being an awesome Host father. I had always so much fun. Since I'm here we were mean against each other for fun and it seriously helped me to feel as a part to his family. Thank you also for talking seriously with me about every different thing we were interested in. I'm sure it was helpful for my life!

Thank you to Kaylor my Host Brother. It was awesome to get more experiences in doing "American stuff". It is just perfect to have a Person of my age who was able to show me things what American Teenagers like to do for fun. Fishing, playing Disc Golf and all those things I have never done in Germany before. It was a brilliant experience.

I'm so thankful that my Host Family always tried to give me my best ten-months in the USA. I felt the whole time that I was a part of that family which is the best thing that could happen.

The "Tumbers" is a family who have a lot of fun in their life. They enjoy their life as well as they can and it makes me always so happy to see a family laughing and having fun. I thank you for showing me your awesome families they are people always happy and glad to have me.

They are showing it which is so nice when you are alone as an exchange Student in another country.

We will go to South Carolina pretty soon and I'm so excited to go there. What is better than going through a bunch of States in the United States as a person from another country? Thank you so much for giving me this experience. We will drive there and then I can see so many different landscapes in America. It will probably be one of the best parts of my time here. I don't even know how I should say that in words how excited I am. I have never thought that I will drive from the north of the USA to the totally south in this year. There is no way that I will experience that again. My family and I did a lot of trips to different places like Minneapolis as a big city and small places like New York Mills, Embarrass and Ironwood, MI where their families are living. It was so beautiful to see so many different places in this Area! In the end of my time in America I have seen more then 10 States. Unbelievable!

Finally I really want to say that these ten-month were a great experience. I'm more open in life, I believe my thinking changed a lot and I feel older. I want to enjoy my last days here as well as I can. Thank you to everyone who helped and gave me a great opportunity, everyone who enjoyed the time with me, everyone who had fun with me and everyone I will never forget in my life!

I love America and all awesome people I got to know.

Planting the Seeds for Healthy Foods in the Fall

During the last week in May, Esko students planted a school garden with vegetables and fruits that will grow over the summer and be harvested next fall. The Esko school garden has been planted outside the district office for the 5th year in a row. What is unique about this garden is that all the produce grown ends up being served in the school cafeteria next fall. It is a great way for students to eat healthier and to see direct results from something the students were a part of. By The Wellness Committee

Little Eskomo's Lutheran Preschool

On Thursday, May 7, 47 preschool students representing Our Savior's, Our Redeemer and St. Matthews Little Eskomo's preschools gathered at St. Matthew's church to learn about the importance of serving others like Jesus taught us to do.

Students brought in stuffed animals that were blessed by Pastors Jeff Walther and Tom Brinkley before handing them over to the fire department who will share them with children that may have been involved with an accident or fire. Two Esko fire fighters were on hand to give the children a demonstration on fire safety.

The children also made book markers and potted plants to be distributed at Barnes Care Center in Esko and decorated brown paper grocery bags that will be used by the Salvation Army food shelf. It was a fun morning full of songs, crafts, learning and play.

DRIVER'S ED.

This class provides students with a basic understanding of MN Traffic Safety laws, and the complexities of driving. It also gives participants information necessary for acquiring a MN Learners permit upon successful completion of the written exam. Students who were not born in Carlton County should begin to acquire their Certified Birth Certificate which is essential for taking the permit exam. Students should reach their 15th birthday by November 17, 2015. Priority will be given to current 15 year olds who attend Esko Public Schools. Students must attend all 30 hours of training (a make-up day will be available). You will need to sign up with a Driving School for behind the wheel lessons (at an additional cost) before the permit test.

NEW class component: Students are required to Log 50 hours driving time and this must be turned in to the DMV prior to the road skills test. Attendance at the optional Parent Program can reduce the numbers of logged hours to 40.

Parent Program - offered the last day of class from 5:15 - 6:45

PM: --90 minute Point of Impact program presented by a Trooper from the MN State Patrol. ; If attended, 40 hours of behind the wheel must be logged by the student; If unattended, 50 hours of behind the wheel must be logged by the student.; Logs must be turned in to the DMV prior to the road skills test; Distribution of Blue Cards (needed to take the permit test and to sign up for behind the wheel instruction).

Age Req: 15 years old by November 17, 2015

*** IMPORTANT DATES TO REMEMBER ***

Parents and Guardians: Please mark your calendars for Thursday, August 6, 2015. This is an important meeting that all student-athletes grades 7-12 and their parents need to attend. During the meeting, we will be discussing school and athletic policies, collecting eligibility paperwork and conducting break-out sessions with coaches.

Thursday, August 6, 2015
6:00 pm – 7:00 pm – Grades 7-9
7:00 pm – 8:00 pm – Grades 10-12

The meeting will be held at the school cafeteria. All athletes need to attend as part of their eligibility requirement.

All required forms can be picked up and turned in that night.

*** PHYSICALS DUE ***

All student athletes are required to have a current physical on file in the EHS Activities Office. Physicals are good for three years from the date of completion. Please utilize the coming months to schedule a complete physical with your family doctor. Physician signatures are required on the completed physical form. Blank physical forms can be picked up in the Activities Office or printed offline from the Esko school website under the Athletics tab. Please be aware that current physicals are required for all athletes in order for them to be eligible. This is especially important for 7th graders entering the high school system and 10th graders who may have a physical expiring.

Please call Julie at 879-4673, ext. 629 if you have any questions or would like to check on the status of your students physical.

FALL SPORTS OPPORTUNITIES AT EHS

This letter contains information on the fall athletic activities that are available for student athletes. Please read thru this information carefully. If you have any questions, please contact the coach or the Activities Director, Chad Stoskopf, at 879-1909 or via email cstoskopf@esko.k12.mn.us.

Cross-Country Running: Varsity practice will begin on Monday, August 17th at 7:00 a.m. - meet in the clock lobby of the high school. Junior High athletes are also encouraged to start that day as well, however, official practice will not begin until the first week of school. Coach: Jeremy Hallsten at 393-1651.

Football: Captain's practice will be held on August 3th – 7th from 4:00-6:00 p.m. at the Turf field. Varsity and JV (grades 9-12) football practice will be at 7:45 a.m. on August 10th. Junior High players will have mini-camp from 10:45 – 11:45 a.m. on Aug. 10 – 12th. Junior High equipment will be issued on August 13th at 10:45 a.m. Coach: Bill Hudspeth 428-3902.

Volleyball: Captains practice (grades 7-12) the week of August 10-14, time TBD. Varsity, JV, C team (grades 9-12) or anyone trying out for upper teams, tryouts are August 17, 18, 19 from 8 am-12pm. From Aug 17th until school starts, practice is usually 8-12, with a few exceptions. 7th & 8th grade practice starts the week of August 24th, time TBD. Coach: Desiree DeLeon 522-0367 or ddeleon@esko.k12.mn.us

Girls Soccer: Captain's practice will run for two weeks this summer due to later season start time. Times and dates are August 3rd – 7th and August 10th – 14, from 8:00 – 9:30 (10:00) AM. Please plan to attend. Official coaches practice starts on August 17th at 8:00 a.m. Try-outs will be held August 17th, 18th and a portion of August 19th. On the 19th you will be told what team you will start practicing with on a daily basis (V, JV, C). Be properly equipped and bring your own ball. Coach: Jeff Emanuel 393-1599.

C-E-C Boys Soccer: Try-outs for all boys grades 7-12 will be on August 17-19 from 8:30 a.m. until 11:00 a.m. at the Hilltop Soccer Complex. Please come ready to play (water bottle, shin guards, appropriate length socks, running shoes and a soccer ball). Coach: Archie Clark 729-0255.

The minutes from the meeting of March 2 were distributed. A motion to accept the minutes as written was made. Motion carried.

Choir Report – Beth Anderson:

Beth Anderson was not available for the April meeting.

Band Report – Rich Mowers:

- Head of the Lakes Jazz Festival was March 7.
- Both Jazz I & II participated.
- Kids performed well. Good experience.
- Rich would like to see the clinics “freshened up” for the kids.
- Rich is considering participating in the Eau Claire Jazz Festival to mix it up a bit.
- High School Contest was March 16 & 17
- Kids did really well.
- 1 point off Superior rating.
- Jazz played high level music well.
- Rich worked with small groups to eliminate the “I wish” moments.
- 2016 Contest will be earlier, March 7 & 8.
- This shouldn’t be a conflict with playoffs or state tournaments.
- 2016 Band Trip
- Depart on March 19

and

Fridays from 9:45 – 11:45am

Cost: \$110 for first child; \$85 for each additional child in class

Sibling Care: \$2 per child / per visit

This is a great time for children to gain pre-Kindergarten knowledge while parents are learning more about how to guide their child through these early learning experiences. Children will explore arts and crafts, introduction to basic concepts, music and movement, and large muscle activities. Class will meet 2 days a week for 1 ½ hours on Mondays and 2 hours on Fridays. Mondays will include quality time between parent and child. Parents will also meet, with a licensed parent educator, to discuss parenting joys and concerns, as well as their child's social, emotional, and physical development. Fridays will be a day for parents to drop their child off for a more child/teacher learning experience. *Must be potty trained to attend Friday class.* Please call and ask for Shannon if you have any questions about this or any other issues.

On the Move

Winterquist Elementary News

Elementary News

By Brian Harker

Summer Vacation

It has been another successful, fun and rewarding year at Winterquist Elementary. To our families, thank you for your support and willingness to be involved in your child's education. We are blessed to have such wonderful students and families.

Enjoy your summer vacation! Be safe, have fun, and don't be afraid to open a book from time to time throughout the summer.

P.I.E.

The Eskomo P.I.E. group once again provided leadership and financial support to enhance the learning opportunities for our students. PIE is a very proactive group that has a vision to enrich the school experience for all students. Please consider joining and attending their meetings next year. This is a great way to make a difference in the education of our children and also a nice way to get to meet other parents and families. Look for more information to come as next fall approaches.

Digital Engagement Initiative

What a success! Many thanks to our

students and staff for their willingness take on such a big initiative. Thank you to our parents for their patience, understanding and open mindedness this year as we worked through the hiccups and issues that come along with such a big change. We truly feel this has opened so many doors for our students to take ownership in their learning. The possibilities are endless and we are excited about what next year will bring.

Students in grades 4 next year will be getting information in August about the distribution of iPads which will take place on Open House on September 3rd. Students in

grades 5 and 6 will pick up their devices on the first day of school.

Summer Office Hours

The elementary office will be open our regular hours until June 19th. The office will open up again July 27th to July 31st. Then it will be closed until August 24th. These are the official dates, but Julie and I will be in the office periodically throughout the summer.

Immunizations

Parents please utilize these summer months to schedule an appointment with your family physician to have a physical completed and ensure your child is up-to-date on immunizations. According to Minnesota School Immunization Statute 121A.15, to be allowed in school, students must be immunized according to the *Minnesota Childhood Immunization Schedule*. In addition, Esko School Policy states that all students are required to provide proof of immunization or appropriate documentation exempt-

ing the child from such immunization prior to the first day of school. Therefore parents and/or guardians must provide proof of the above vaccinations or show that they have started a plan to get the missing immunizations.

Letters have been sent out to all parents who have students missing immunization vaccines that need to be taken care of prior to next school year. Please send or fax a copy of the immunization record to the school prior to the start of the 2015-2016 school year. Thank you!

Esko Teacher's Week of Action

The week of May 4-8th Esko Teachers participated in Education Minnesota's "Week of Action." The focus of the week was to have teacher communities come together in unity to help their schools. The goal of the Esko Teachers was to collect food for family members in need during the summer months. These donations were collected and distributed to ensure that students and families were provided with needed meals when school is not session. From their generous donations, teachers were able to fill enough boxes to provide meals though the summer for seven Esko families.. The Esko teachers were delighted at the opportunity to give back to the wonderful families and students they have the privilege to teach throughout the school year!

Senior Scholarships

It is a great privilege to announce that the Class of 2015 has exceeded the 1 million dollar mark in academic scholarships.

At and since the annual Esko Educational Foundation scholarship night, held in May, over 1 million dollars in total scholarships have been presented to this year's graduating students. The EEF, alone, awarded approximately \$60,000 in local foundation money to deserving Esko High School seniors. Education pays, literally!

Parents of Home Schooled or Private Schooled Students

If you are considering transferring your student into the public schools, we hope you will consider the Esko High School. We look forward to sitting down with you to discuss our programs and tour our facilities. If interested, please call the high school office at 879-4673. Esko High School is finalizing the course schedule and offerings for 2015-2016. Because of current class sizes, staff assignments and budgets it is important for us to know how many students to expect in the fall. We will welcome your student into our school.

Summer School

In an effort to enable Esko High

School students the opportunity to recover lost credits and get appropriate academic remediation, summer school will be offered at the Cloquet Area Educational Program from June through August. If your 7-12 grade student could benefit from our credit recovery program, contact high school counselor, Ms. Nicki Peterson at 879-4673 ext. 604 for more detailed information.

Summer Reading Program

One of the many academic traditions that serve to make Esko High School uniquely high performing is our summer reading program, coordinated through the EHS language arts department. Each student in grades 7-12 is required to meet minimum targets during the summer months. Students keep a reading log which they present to their English teacher at the beginning of the school year in September. Copies of extra reading logs and instructions are available in the high school office throughout the summer.

7th Grade Orientation

Save the date! Current Esko 6th graders going into 7th grade in the Fall of 2015 are invited to attend 7th grade orientation at EHS on Wednesday, September 2, 2015 from 9-11 a.m. An August letter will follow with details about that event.

Congratulations to the Class of 2015

The Esko High School Class of 2015 will be missed. Some of their notable achievements include:

- This class of 77 students led the region in average ACT score--- amongst the highest college entrance exams in school history---this is really saying something here at Esko High where state leading scores have become a matter of course.
- The Class of 2015 both --started and finished strong as they've topped the Arrowhead region's 36 school districts in virtually all academic measures each year from 4th grade through 11th grade in math, reading, and science on the Minnesota Comprehensive Assessments.
- Members of this senior class, won an array of regional and state athletic, artistic, and academic titles over their years at Esko High School, qualifying for state championship competition in football, cross country, basketball, alpine skiing, track and field, math team, visual arts, band, and choir. And recently members of this class put the new Esko Subzero Robotics Team on the map, and re-established Esko One-Act Play as a region power.
- Together, they earned more than 700 credits in our College in the Schools program, saving their parents more than \$500,000 in future college tuition.

- This year alone the Class of 2015 worked to raise over \$30,000 in support of charities and their 7th grade teacher struggling with illness, donated 60 liters of their blood to Memorial Blood Center, delivered holiday gifts to 45 Carlton County families in need, and spent hundreds of voluntary hours tutoring elementary students. They built impactful relationships with future Eskomoms---their second grade pen pals---through personal letters, and impressed area business leaders in our capstone mock interview exercise, Imagine It Day.
-For next fall 98% of them are enrolled at 4 year universities, 2 year colleges, post-secondary occupational training programs or are enlisted for military service.

I have no doubt that their sensational success will continue at their future colleges, universities, and various educational programs from Iowa to Texas to Alabama to Michigan and everywhere in between.

ZEZULKA INDUCTED INTO POLAR LEAGUE HALL OF FAME

Gina Perich Zezulka is a registered nurse, wife, mother, sister, daughter, and friend, and recently, she just earned the title of Polar League Hall of Fame Inductee. Of all the "hats" she has worn and continues to wear in her life, the fact that Zezulka is the most decorated athlete in Esko Sports history sealed the deal for her earning the hall of fame honor.

A 1996 graduate of Esko High School, Zezulka was an inspirational multi-sport athlete during her tenure. To name a few, Zezulka was a 1,000 point scorer in girls' basketball and is currently ranked third all-time at scorer in Esko with 1,622 career points. She was named Polar

League All-Conference, a top five "Miss Basketball" candidate and participated in the girls' state basketball tournament. Her accolades don't stop on the basketball court however, as she was an impressive seven-time individual state champion in girls' track as well (1992 300 Hurdles, 1993 300 Hurdles, 1994 300 Hurdles, 1994 100 Hurdles, 1995 300 Hurdles, 1995 100 Hurdles and 1995 Long Jump); despite the fact she was unable to participate in track her senior year. As a direct result of Gina's performance in the 1995 state track meet, Esko won the girls' state track team championship. Even with Esko's history of excellent girls track athletes, Gina still holds six of the 14 individual school records. Gina was also Polar League All-Conference in cross country while running against the likes of Kara Goucher (Wheeler) and she lettered in volleyball during her high school playing days.

Following her high school career, Zezulka played basketball at University of MN-Duluth on scholarship.

Zezulka currently resides in Esko with her husband, Brent and children, Ryan, Zach, Ashley and Carter. Zezulka is a die-hard fan of Esko athletics and was an integral part of the Esko Pride Committee that lobbied for the passing of the 2012 levy and referendum that allowed for the construction of the new Esko Stadium Field sports complex.

The Perich family is highly athletic and competitive, driving each other both on and off the field and court. Zezulka's father, Donnie, can be seen working out in the fitness center any day of the week and her brothers, George and Greg, both Esko graduates, excelled at multiple sports. George currently teaches physical education at Esko High School. "Gina getting inducted into the Polar League Hall of Fame brought back many great memories. Our family has always been extremely proud of her, and it is still exciting to hear people talk about her athletic dominance nearly twenty years later," said George.

"One of Gina's best qualities as an amazing athlete is that not only does she push herself to succeed, but she is so supportive of others and is really happiest when those close to her do well too," said Zezulka's cousin Stacy (Perich) Bergstedt a 1995 graduate of Esko High School and former teammate who ran track with Gina during their high school years together. Zezulka and Bergstedt continue to inspire each other today, as they train and compete for races like the Ragnar and Grandma's Marathon. Bergstedt went on to say, "Listening to Mr. Bertogliat list off her achievements with pride was truly touching and made us so very proud; she worked so hard then, and continues to push herself now as well."

The Polar League Hall of Fame was established in 2012 and since then seven individuals have been inducted into this distinguished group. Zezulka will join Jerry Zimney and Julian "Bert" Bertogliat as one of only three Esko representatives to be awarded this hall of fame title.

Congratulations Gina on this well-deserved accomplishment!

Discussion was held on the purchase of a new plow and sanding truck. The Town will be making the purchase from the State of Minnesota bid. Since the installation of equipment will need to be scheduled soon with Towmaster and the prices for the truck are not yet known, a motion was made by Compo with a second by Janke to authorize staff to make the purchase, up to \$ 215,000. Motion carried. Equipment from Towmaster will be approximately \$ 100,000 with the truck price being approximately \$ 115,000.

Information has been received from Sinnott Blacktopping regarding crack sealing this year. A motion was made by Janke with a second by Gerard to approve the work to be done by Sinnott Blacktopping, not to exceed \$ 25,000. Motion carried.

Discussion was held on the East Stark Road Bridge. The repairs that are needed are not eligible to be paid for by the by the State Town Bridge Fund. Carlton County might be able to do the work and charge the Town for the repairs. Peleski will contact the County to get an estimate on charges.

Discussion was held on the property at 34 Himango Road. The building inspector and police officer visited the site and walked through the building. A motion was made by Compo with a second by Gerard to approve Resolution # 15-03 to move forward with the condemnation process. Motion carried.

Discussion was held on paving projects for 2015. Sunnarborg and Black will meet to review traffic and house counts and bring a proposal to the Board.

Discussion was also held on prepping E. Stark Road so it will be ready for paving at some point in the future.

Discussion was held on sweeping the walking paths. The City of Carlton has been contacted to see if they'd provide this service for a fee. Money has been levied for trail maintenance.

Discussion was held on the fire hydrants that are still in need of repair. Black will contact the City of Cloquet for assistance.

Gerard reported that he will be picking up and planting 40 new trees.

Janke reported on Community Education activities.

Hill reported on the recent Minnesota Association of Town Spring Short Course that he attended at Black Bear Casino.

Hill reported that information regarding the police department is still being compiled for a resident that requested it. Once it is gathered, Hill, Peleski, Officer Foldesi and Pritchett will meet to review it.

Financial statements have been received from North County Ride. A motion was made by Compo with a second by Janke to approve the payment of \$ 750 from the Recreation Fund to North County Ride. Motion carried.

A motion was made by Compo with a second by Gerard to approve the payment of \$ 2,000 from the Recreation Fund to Esko Community Education. Motion carried.

A motion to adjourn was made at 8:10 p.m. by Gerard with a second by Compo. Motion carried.

MAY 7, 2015

Present: Terry Hill, Ruth Janke, Dave Sunnarborg, Tony Compo, Bill Gerard, Rhonda Peleski, David Pritchett

Chairperson Hill called the meeting to order at 6:30 p.m. in the Town Board Room at the Town Hall.

Gerard made a motion to accept the minutes of the previous meeting. Second by Compo. Motion carried.

Compo made a motion to approve the current vouchers in the amount of \$ 33,604.71, (Check #'s 40323 – 40370) to pay payroll and due bills and electronic payments in the amount of \$ 6,243.37. Second by Gerard. Motion carried.

Mark Petterson from Coates RV was present to discuss with the Board the importance of Minnesota Department of Transportation approving the removal of trees in the I-35 right-of-way. The increased visibility is essential to Coates RV building their facility at that location. Connie Christenson from Carlton County Economic Development has submitted an application to MNDOT for the tree removal. Other parties interested in purchasing lots will also require freeway visibility. MNDOT is taking the stance that the trees provide a living snow fence and cannot be removed. A motion was made by Janke with a second by Sunnarborg to approve Resolution # 15-04 in support of the trees being removed. Motion carried. A letter will be written to MNDOT Commissioner Charles Zelle expressing the Town Board's support of the tree removal and concerns if they are not able to be removed.

Esko Liquor has presented their application for their Carlton County liquor license renewal. A motion was made by Janke with a second by Gerard to approve the renewal of their off-sale liquor license. Motion carried.

Two quotes have been received for this year's dust control. A motion was made by Sunnarborg with a second by Compo to approve the low quote of .834 cents per gallon for 37% calcium chloride from Tri-City. Motion carried.

Peleski provided an update to the Board on the purchase of a new plow and sanding truck. An order has been placed with Astleford International Trucks for a 2016 cab and chassis at a cost of \$ 112,009.56. It will be delivered in August to TowMaster so they can equip it with the plow and sanding equipment.

A leave of absence has been requested by Jeff Juntunen, Fire Chief, for a period of two months. He would like to appoint Brent Pykkonen as interim fire chief. A motion was made by Compo with a second by Janke to approve the leave absence and accept the appointment of Pykkonen as interim chief. Motion carried.

A request for rezoning has been received from John Koski for his property on Thomson Road. It is currently zoned business park and he would like it changed to agricultural. A motion was made by Gerard with a second by Sunnarborg to refer this to planning and zoning. Motion carried.

Gerard reported that he was contacted by a resident who is concerned about the parking on Thomson Road by Birch Drive. With vehicles parked by that intersection there is decreased visibility. Gerard will contact the Carlton County Engineer about limiting parking in that area.

Janke reported on the recent School Board meeting.

Sunnarborg reported that wood chips will be installed as the base around the playground equipment at Northridge Park.

Discussion was held on blacktopping. Sunnarborg will bring a recommendation to the Board.

Discussion was held on fats, oils and grease inspections that need to be completed this year at area businesses.

Compo reported that the City of Carlton will be doing the sweeping of the W. Highway 61 walking trail. There are also several cracks in the Canosia Road trail that need to be filled.

A motion to adjourn was made at 7:25 p.m. by Janke with a second by Sunnarborg. Motion carried.

Respectfully submitted,

Rhonda Peleski, Clerk/Treasurer Terry Hill, Chairperson
Town of Thomson

Esko Educational Foundation

The Esko Educational Foundation held its annual Scholarship & Academic Award Night on Sunday, May 17, 2015 in the high school theater. Members of the Esko Class of 2015 were awarded over \$60,000 in local and memorial scholarships. The EEF selects scholarship recipients using a computerized point system. The Board takes into consideration: class rank, difficulty of courses taken, recommendations, community involvement and extracurricular activities. Financial need is also a major criteria for several of the scholarships. Students' names are withheld from Board members until selections are completed. Serving on the current 14 member board are: Mike Graves - President, Peter Radosevich - Vice President, Rollie Bockbrader - Treasurer, Robin O'Neill- Secretary, Cindy Kunz - Scholarship Coordinator, Colleen Semerau, Brenda VanDell, Frank Liupakka, H. Phillip Powers, Brent Smith, Cindy Purcell, Rick Liljegren, Lynn McComber, and Joyce Bergstedt. As the cost of higher education continues to escalate, the EEF is committed to helping Esko graduates defray college expenses. A major fundraiser held every August is the Kristin Burkholder Memorial Run, which will be held this year on August 8th during the annual Esko Fun Days celebration. The Board also hosts a spaghetti dinner every November. The EEF wants to convey their deep appreciation to all who contribute their time, talent, and dollars to fund these scholarships. Donations to the EEF are tax deductible and can be made at any time-in memory or honor of someone, as a thank you to an educator or as a way of giving back to the community. All money goes directly to scholarships for Esko students. For further information you may contact Mike Graves at 348-8951 or Cindy Kunz at 591-6162. Please consider a tax deductible donation to the EEF in 2015!
