615 TESTING ACCOMMODATIONS, MODIFICATIONS, AND EXEMPTIONS FOR IEPs, SECTION 504 PLANS, AND LEP STUDENTS

[Note: In 2013, the Minnesota legislature modified state graduation requirements by making the Graduation-Required Assessments for Diploma (GRAD) tests optional for school districts. A district may decide whether individual students will meet graduation assessment requirements by meeting the GRAD requirements in reading, mathematics, and written composition; by taking the WorkKeys job skills assessment, the Compass college placement test, the ACT assessment for college admission, or a nationally recognized Armed Services Vocational Aptitude Battery test (ASVAB); or by receiving a score on an equivalent assessment. Refer to Table 1b of the Minnesota Assessment System and Requirements Overview 2013-2016 documents, which is posted to the Test Administration page of the Minnesota Department of Education (MDE) website. While a district may choose not to include GRAD retests on the testing calendar, an individual student who requests a GRAD retest must be provided the opportunity to retest.]

I. PURPOSE

The purpose of the policy is to provide adequate opportunity for students identified as having individualized education program (IEP), Rehabilitation Act of 1973, § 504 (504) accommodation, or limited English proficiency (LEP) needs to meet the graduation requirements of basic skills testings and graduation-required assessments for diploma (GRAD) tests.

II. GENERAL STATEMENT OF POLICY

A. The school district will utilize the existing annual review of IEPs or 504 accommodation plans to review, on a case-by-case basis, the extent of student participation in basic skills testing and GRAD testing. For students subject to GRAD testing, the student's IEP or 504 accommodation plan must identify one of the following decisions for each subject area of GRAD:

1. the student is expected to achieve the statewide standard with or without testing accommodations resulting in a "pass" or "p" notation on the record when achieving a passing score; or
2. the student is expected to achieve the statewide standard at an individually modified level of difficulty, resulting in a "pass" or "p" notation on the record when achieving the modified level. A Minnesota alternative assessment must be used when an IEP team chooses to replace the GRAD. Adoption of modifications for a student must occur concurrently with the adoption of transition goals and objectives as required by Minn. Stat. § 125A.08(a)(1). The IEP or 504 accommodation plan must define an

appropriate assessment of the statewide standard at a modified level of difficulty. Achievement of the individually modified standard shall be certified only through documented student performance of the defined assessment.

Students subject to GRAD testing also must be tested under standard conditions as specified by the developer of the test except those students whose IEP or 504 accommodation plan specifies other decisions consistent with the above stated requirements.

- B. Students with LEP needs must be identified and accommodations made for students subject to basic skills testing. Students subject to GRAD testing are required to pass the GRAD if they have been enrolled in any Minnesota school for at least four consecutive years. An English language learner (ELL) student who first enrolls in a Minnesota school in grade 9 or above who completes the coursework and any other state and district requirements to graduate within a four-year period is not required to pass the GRAD.

III. DEFINITION OF TERMS
