

School Readiness / Discovery Supply List for School Year 2025/2026

Please bring these items with you to Open House in September

School Readiness:

- **1 Backpack** (Large enough to carry a folder, projects, and winter gear.)
- **1 Folder** (two pocket plastic folder with fasteners inside)
- **1 Spiral Notebook**
- **1 Pack of glue sticks**
- **1 Pack of Napkins**
- **1 Box of Tissues/ Kleenex**
- **1 Container of Clorox wipes**
- **1 Box of 3 or 5 oz paper cups**
- **1 Pack of White Board Markers (fine tip or chisel)**

Discovery:

- **1 Backpack** (Large enough to carry a folder, projects, and winter gear.)
- **1 Folder** (two pocket plastic folder with fasteners inside)
- **1 Spiral Notebook**
- **1 Bottle of Liquid Glue**

*If your child is attending BOTH classes you do not need to purchase items twice.

*Discovery students will need to have mud boots, winter boots, adequate rain gear (we suggest buying a rainsuit), mittens, and hats.

Mittens are a must, the thin finger knit gloves are not warm enough for students. EVERYTHING needs to be labeled for their outdoor gear.

The folder is the only supply that will be kept in their backpack, the rest of the supplies are shared in the classroom, please do not label supplies. Additionally, in a gallon size zip lock bag, please place an extra set of clothes to keep at school. We understand that accidents happen, and want students to have clothing comfortable for them to change into.

A pair of shoes must be brought and labeled to keep in class. This ensures our classroom stays clean.

If there are any financial restrictions please reach out to your classroom teacher.
