Michele's Farewell

You may have heard I am moving away from the area and have resigned my position as Director. Before I leave, I would like to take a moment to reminisce about the time I have spent in Esko. I still remember the day I was offered the job of Community Education Director in Esko. I had been completing my practicum hours under Christina Walther at the ripe age of 49. I completed my Master's degree in Educational Leadership at age 50. My story is a lesson to never give up on the thing you believe in. I landed my dream job at age 50! Mr. Fischer interviewed me and offered me the job the following day. I was so excited to begin the career I had been dreaming of for many years.

Since I had been completing practicum hours in the district, I had very specific goals when I became the Director. I wanted to upgrade the tennis courts that were near the playground, offer an option for 5 day Pre-K, expand Esko Fun Days by creating a non profit to run the event, stabilize the community education budget, pay community education staff in alignment to the staff in the school district, and create a play space for our youngest learners. I am happy to say I achieved most of my goals.

I have been fortunate over my years in Esko to develop relationships with community members who have supported me in my efforts. I would like to extend a thank you to Courtney Greiner, Sarah Rautell, and Amy Feely for stepping up to be the first board members of Esko Community Partnership and helping expand Esko Fun Days into an event that people now schedule around.

Thank you to Maggie Sunnarborg for motivating me to create a week-long event in the summer. Your belief in me made me want to accomplish all of your ideas. Thank you to my first advisory council, especially Joanne Erspamer who stayed on the council long enough to get new members oriented. I am indebted to my current advisory council members; Leah Peterson, Sam Dammer, Ty Gangelhoff, Sarah VanGuilder, Amna Hansen, and Jamie Glesener for being my sounding board and cheerleaders throughout my time here. Thank you to Ruth Janke, Ken and Eva Nynas, and Pauline Ikola for accepting me into this community with open hearts. Your support has meant the world to me.

The staff I have been able to work with over the years has been top notch! I have had the opportunity to mentor several young people into teachers working all across the Northland, including Esko! Our program has also helped develop entrepreneurs like Cassie Janke of Northern Outdoors Club. Most importantly, our current staff describes coming to work as time spent with friends while caring for and educating children. The current coordinators in our program, whom I am proud to claim as friends, Brianna Mattonen, Emily Davey, and Melanie Rice are ready to take Esko Community Education to the next level. I look forward to hearing of all of their success.

Thank you Esko for this amazing opportunity!

The Esko Leads group was visited by Animal Allies Education Helper, Mary, and Animal Ambassador, Gus, on Wednesday, April 22nd.

For one of their service projects this year, Esko Leads students made 23 small tie-blankets to donate to Animal Allies. They use these blankets to line kennels, create cozy spaces in the cat rooms and give to families when they adopt cats and kittens!

Great work, Esko Leads!

Class Registration Information

Introducing arux, your new digital home for **Esko Public School District**

We're excited to announce that **Esko Public School District** is transitioning to Arux, a modern platform designed to make registration, payment, and account management easier for families like yours.

Starting June 8th, please visit your new portal at esko.arux.app for all your community education needs.

✦ Enhanced Features You'll Love:

- Streamlined registration process with better course search and filtering
- Modern, mobile-friendly interface that works on any device
- Improved account dashboard to manage multiple children and programs
- Real-time updates on enrollments, schedules, and payments
- Better communication tools to keep you informed

Good News: Everything Transfers Automatically

- **Your account data** - All your information moves to Arux
- **Login credentials** - Your current username and password still work
- **Existing enrollments** - All current and upcoming registrations transfer
- **Payment methods** - Saved cards and autopay settings carry over
- **Child care/preschool accounts** - Are accessible right from your dashboard

We are excited to utilize the Arux platform and for how it will positively impact the future of our programming. If you have any questions, please contact us at:
(218) 879-2969 or mcarlson@esko.k12.mn.us

Driver's Ed.

This class provides students with a basic understanding of MN Traffic Safety laws, and the complexities of driving. It also gives participants information necessary for acquiring a MN Learners permit upon successful completion of the written exam. Students who were not born in Carlton County should begin to acquire their Certified Birth Certificate which is essential for taking the permit exam. Priority will be given to current 15 year olds who attend Esko Public Schools. Students must attend all 30 hours of training. You will need to sign up with a Driving School for behind the wheel lessons (at an additional cost) before the permit test.

Students are required to Log 50 hours driving time and this must be turned in to the DMV prior to the road skills test.

We need 12 students to be able to run this class. Cancellation fee of \$ 15.00 will be charged for any cancellations out of this class.

Age Req: 15 years
Will open to 14.5 year olds 3 weeks prior to class
Will open to 14 year olds 1 week prior to class
Sessions: 10
Cost: \$ 125.00
8/10/2026 9:00AM - 12:00PM
8/11/2026 9:00AM - 12:00PM
8/12/2026 9:00AM - 12:00PM
8/13/2026 9:00AM - 12:00PM
8/14/2026 9:00AM - 12:00PM
8/17/2026 9:00AM - 12:00PM
8/18/2026 9:00AM - 12:00PM
8/19/2026 9:00AM - 12:00PM
8/20/2026 9:00AM - 12:00PM
8/21/2026 9:00AM - 12:00PM
Esko Schools - S132

The following Youth Enrichment Classes will open for registration in Arux on June 15th

Summer Elementary Cheer Clinic

Do you love to cheer? Be part of the elementary cheer clinic! The elementary cheerleaders will learn cheers, jumps, kicks, and a dance to do during the Esko Fun Days parade! Early Childhood Family Education (ECFE)

EARLY CHILDHOOD
FAMILY EDUCATION

What is ECFE?
Early Childhood Family Education (ECFE) recognizes that parents are their child's first and most important teachers. ECFE offers parents hands-on learning experiences that will nourish a lifetime of teachable moments.

What Happens in ECFE?

A typical ECFE class includes:

Parent-Child Interaction - Time where parent and child together enjoy a classroom filled with developmentally appropriate learning activities.

Parent Education - Provides relevant, effective education and support that encourages a healthy environment for the growth and development of families.

Children's Activity Time - During parent education time, children explore, gain independence, and practice social skills while under the supervision of a licensed children's teacher.

What are the Benefits?

Support during the transition to parenthood.
Information of early development and what to expect from children.

Strategies for effective limit-setting and teaching.
Quality time with children in a supportive and enriching learning environment.

Time with other parents to reflect on family values and parenting practices in a supportive group setting.

Enhanced family communication and co-parenting skills.
Strategies for balancing work and family and managing stress.
Familiarity with community resources for families with young children.

Esko Early Learning ECFE

16 E Hwy 61, Esko, MN 55733
Call us at 218-879-4038 or email
mpliml@esko.k12.mn.us

Early Childhood Family Education (ECFE) Classes

Fees: No family is denied class due to inability to pay. Please call our office to discuss options.
218-879-4038

We are very excited to offer a free class for all types of care givers. Family, Friends, and Neighbors! Parents are also welcome to attend as well.

Ms. Kari and Ms. Shannon will be posting about where the class will be held on our Social Media! Go give us a follow to stay in the loop!

Tentatively scheduled for once a month on a Thursday.

Stay tuned for upcoming ECFE classes for summer and fall!

Registration for fall classes opens July 1st.

We are switching software to Arux in June- you will be able to log in using your Eleyo account information- Follow Esko Community Education on Facebook to stay up to date!

Esko Early Learning School Readiness and Stepping Stones

2026-2027 Registration Information

School Readiness-
Mon/ Tues/ Thurs

AM 8:30-11:00 or PM 12:30-3:00

Students must be 4 years of age by Sept. 1st to attend.

Discovery-
Wed/ Fri
8:30-11:00

Students must be 4 years of age by Sept. 1st to attend.

This is our Nature/ STEAM based program.

Stepping Stones-
Tues/ Thurs
8:45-11:15

Students must be 3 years of age by Sept. 1st to attend.

Email Melanie Pliml with questions
mpliml@esko.k12.mn.us

Important Note about Discovery-

Discovery goes on field trips almost every Friday either to the school forest or elsewhere. We do go outside all year long, proper outdoor clothing is essential for this class.

We are switching Software systems to Arux. Keep an eye on more information regarding this change. Follow Esko Community Education on Facebook for updates!

School Readiness and Stepping Stones have a \$40 non refundable registration fee.
Discovery has a \$200 non refundable registration fee, this fee covers the cost of all trips and activities.

Discovery is FULL
We have limited spots left in
Stepping Stones and School
Readiness

Esko Early Learning School Readiness and Stepping Stones

A Note From Your Early Childhood Coordinator

The Esko School Readiness 4s program has reached record enrollment numbers for the 2026–2027 school year! Because of the incredible interest from our families, we were excited to open a second afternoon section of 4s School Readiness to help accommodate everyone.

This decision was not made lightly. Expanding the program required additional teacher hours, twice the classroom supplies, and nearly 3,000 additional childcare staff hours.

In addition Cool Cubs added...

- an additional lunch person
- extra lunch equipment
- tables and chairs
- cots

Even with these challenges, we knew how important it was to continue supporting the many families who want to be part of our program.

We are incredibly grateful for the trust and support of our Esko families. Without families like yours, our Early Childhood Education programs would not have grown into what it is today. Thank you for your continued support and partnership in helping our youngest learners thrive.

— Ms. Melanie

"I haven't been to the
principal's office in
years!" said by a 4
year old PreK student

"I ate a worm once, it
wasn't good. It made
me throw up a little
but I'm pretty much
better now."

Esko Early Learning School Readiness and Stepping Stones

*Thank you School Readiness, Discovery,
and Stepping Stones students and
families for a great year!
-Ms. Nikki and Ms. Melanie*

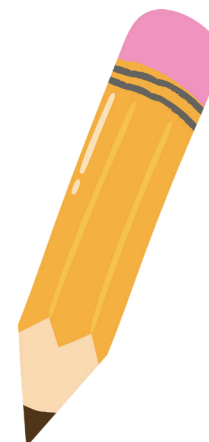

Early Childhood Screening

Early Childhood Screening is a free developmental and health screening that helps ensure all children are equipped for learning. Screening should take place after a child's third birthday to age 5 and is required by the state of Minnesota for every child before they start kindergarten.

Included are screenings for: cognitive, social emotional, speech and language, large and small muscle development. Also included are vision and hearing screenings, health history form and immunization review. Screening helps determine if there are learning concerns in these areas that should be addressed before your child begins kindergarten.

All screenings take place at Esko Community Education, 16 E. Hwy 61, Esko, MN 55733

Registration for appointments opens approximately one month prior to the screening date

For questions regarding screening contact Jill Liupakka at (218)879-2969 ext 636, or Email jliupakka@esko.k12.mn.us

Early Childhood Screening -
We were able to screen over 25 three to four year olds during our February screening dates.

Save the date for next school year-

Superintendent's Update

There is nothing better than summer in Northern Minnesota. Here are a few updates for you to enjoy on hopefully a nice summer day.

Farewell to Esko Schools

I have informed the school board that I will be leaving at the end of the current school year to pursue a new career opportunity with the Minnesota Rural Education Association as their Executive Director.

I want to start by thanking the Esko community for all the support shown to the Esko School District and myself during my twenty-two years here. I brought my young family to Esko to be part of an outstanding educational system and was not disappointed. This has been an exceptional school and community to work and live in. I am thankful for all the people I have met over the years and have appreciated this fantastic opportunity. I look forward to seeing and hearing the great things that will happen next for Esko Public Schools.

New Superintendent

I am very proud to see that the Esko School Board has approved Mr. Greg Hexum to be the next Superintendent. I have had the chance to know and work with Mr. Hexum the last twenty-two years. He is the perfect person to lead the district forward. I have no doubt he will bring a high level of energy and commitment to the students and staff of Esko Public Schools.

High School Principal

With Mr. Hexum taking the Superintendency, we will be posting the now vacant High School Principal's position. The hiring process will take place this spring with the hope of having a new person hired by the start of the next school year.

Community Education Director

Mrs. Carlson is retiring at the conclusion of the school year. I want to thank her for her tireless work as our director. I wish her the best as she transitions into the next phase of her life.

Budget

The Business Manager and I have been preparing the budget for next year. At this time, we are projecting a balanced budget for next year. This allows us to continue offering the great opportunities that our families have come to expect. I am extremely proud to share this news during a time when most districts in the state are at some

level of reducing costs. We have not had to make budget reductions the last eighteen years. This is a tribute to the outstanding work of our business manager, school board and dedicated staff. We continue to offer small class sizes with amazing programs and opportunities while being one of the lowest cost districts in the state of Minnesota.

Staffing Needs

The district needs community members to help us out. There are many positions that we are unable to get substitutes for. Our students need adults to support the school and programs that we offer. We need substitute drivers, custodians, teachers, paraprofessionals, child care workers and lunch staff. Please contact the school if you are willing to step up and help us out. We can assist with some training to prepare you for these positions.

Future

Keep working together in providing a great experience for our students. The school has everything in place to continue our great tradition of educational excellence. The Future is very bright!! Thanks for all of your support over the years!

From the School Board Chair

As I sit and write this article, it's hard to believe another school year has already come and gone. It has been a great—though sometimes challenging—year at Esko Public Schools.

We are incredibly proud of the students at Esko High School. They continue to excel in everything they do. The traditions run deep at Esko, and the positivity and strong rapport between students and staff continue to amaze visitors to our schools.

May 29 marks a special day for our seniors as 105 graduates take their final steps across the Esko stage to receive their diplomas. While this concludes their educational journey with us, it also opens the door to an exciting future as they move forward equipped with the knowledge and skills they gained at Esko. We wish them all the very best.

The year-end rush has officially arrived at Esko Public Schools, and there has been quite a bit happening behind the scenes. Let's catch you up on a few important updates.

Mr. Aaron Fischer has resigned as Superintendent of Esko Public Schools. Aaron came to Esko from Willow River Public Schools, first serving as elementary principal for two years before becoming superintendent, a position he held for the past 20 years. His tenure makes him the second-longest-serving superintendent in district history, surpassed only by our first superintendent, A.L. Winterquist, who served from 1919 to 1945.

Aaron has accepted the position of Executive Director of the Minnesota Rural Education Association (MREA). This is a tremendous opportunity not only for Aaron, but also for the many rural schools and communities MREA serves. Founded in 1985, MREA was established to ensure that non-metro school districts had a strong voice in St. Paul representing students across the state. Since Esko is a member of MREA, we look forward to continuing our connection with Aaron in his new role.

During his time at Esko Public Schools, Aaron helped guide our district into becoming—and remaining—one of the top-rated school districts in the state of Minnesota. On behalf of the Esko School Board, we say with heavy hearts that we will miss him greatly, and we wish him all the best as he begins this exciting new chapter in his educational and professional journey.

With Mr. Fischer's departure, the School Board contracted with Dr. Jeff Pesta and Rising Tide School Board Services to ensure a transparent process in selecting our next superintendent. Together, we developed a leadership profile using input from the School Board, district staff, and community members to identify the qualities most important for the role.

We received five applications and, with Dr. Pesta's assistance and the use of a structured rubric process, narrowed the field to three candidates for interviews. Following interviews and additional evaluation, the Board unanimously voted to offer the position to Mr. Greg Hexum, current Esko High School Principal, who accepted the offer.

Greg brings a tremendous amount of knowledge and experience to the position. During his 19 years as Esko High School Principal—and 31 total years as an educator in Esko Public Schools—he has built a reputation for fostering an engaging, high-performing school culture where students thrive.

Greg was recently named Northeastern Minnesota High School Principal of the Year by the Minnesota Association of Secondary School Principals. Under his leadership, Esko High School has continued to excel academically, artistically, and athletically.

He also led the development of Esko High School's innovative Post-Secondary Onsite Program, which allows students to access up to 70 college credits on the Esko campus while benefiting from a flexible schedule designed for juniors and seniors. A new college-style learning center, complete with a student-run coffee shop, further supports his vision for helping students transition successfully from high school to college and beyond.

Through Greg's leadership, Esko High School has strengthened its reputation as a top regional choice for secondary education.

Mr. Hexum will be formally recognized on June 16, 2026, at the MASSP Summer Conference at Breezy Point Resort.

The School Board looks forward to working collaboratively with Greg as we continue providing the very best educational opportunities for the students of Esko.

As Alexander Graham Bell once said, "When one door closes, another opens." With Mr. Hexum accepting his new position, we will now begin the search for a new High School Principal.

In addition, Community Education Director Michele Carlson has announced her retirement. Michele has done a tremendous job leading Community Education through many significant changes during her tenure. One of the most notable accomplishments was relocating Community Education from the main school building into the newly remodeled facility adjacent to the school, formerly occupied by RAM Insurance, to better accommodate our growing programs. We thank Michele for her years of service and wish her all the best in retirement.

The final member of our administrative team entering retirement is Julie Pelletier, who will be leaving us next fall. Julie has been a driving force in both the elementary office and in her role as Administrative Assistant to the Superintendent. She has

been instrumental in assisting the School Board throughout the superintendent hiring process. We are deeply grateful for her dedication and wish her a wonderful retirement as well.

Looking ahead, we have officially completed our current five-year strategic plan and have accomplished nearly all of the projects identified as priorities by our community. Because this is an election year and several current board members may not seek reelection, we have decided to begin the next five-year planning process after the new board is sworn in during January.

We plan to bring in a facilitator to guide the process and will announce opportunities for community members, staff, and students to share ideas about priorities for the next five years. This collaborative process has served us well in the past and ensures that everyone has the opportunity to provide input. Please watch for announcements in The Corner and on our social media platforms.

We also continue discussions with Carlton County Highway Engineering regarding the redesign of CSAH 61 through downtown Esko. Current plans include a proposed roundabout at the intersection in front of the school. We hope to share more information as plans develop. Throughout the process, our priority has remained clear: whatever improvements are made must be as safe—or safer—than the current design.

There is so much more I could share, but this article is already getting quite long. I'll close by simply saying thank you to everyone who has helped make Esko Public Schools what it is today. Without the tremendous support of our parents, community members, staff, and local businesses—who continue to give their very best—we would not have the outstanding schools and opportunities that make Esko such a special place.

Have a wonderful, enjoyable, and safe summer. We look forward to serving you during the 2026–2027 school year. On behalf of the entire School Board, thank you for all that you do.

Jerry Frederick
School Board Chair
Esko Public Schools

Esko Public Schools use a variety of digital tools to support student learning. Technology vendors and software is utilized to support work as we help all students develop the skills necessary to succeed in an ever-changing world.

We have an inventory of our curriculum, testing, and assessment tools posted on our school website; esko.k12.mn.us < Parents < Tech Resources < Software Inventory and Student Data Elements. It includes an outline of the student data elements within each tool. This list is maintained and communicated annually to all families at the start of the school year.

Please reach out to Greg Hexum, High School Principal (grhexum@esko.k12.mn.us) or Brian Harker, Elementary Principal (bharker@esko.k12.mn.us) if you have additional questions regarding specific digital tools used in classrooms.

Sincerely,
Esko Public Schools

Esko Seniors Receive Community Scholarships

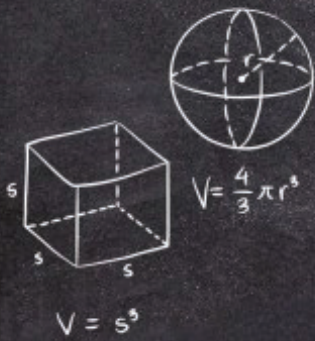

Esko High School proudly recognizes the following members of the Class of 2026 for earning local scholarships and awards from community organizations, businesses, memorials, and family foundations. Additionally, the Class of 2026 has been awarded more than 1 million dollars in academic scholarships from their future post-secondary institutions. As we say at Esko High School, education pays—literally!

"ESKO PIE PARTNERS IN EDUCATION"

Esko PIE presents the new Esko Apparel Store:

- Starting now, it's open all year.
- Click here to see the online store (<https://www.cede-signsmn.com/eskostore>).
- Stop in-person to shop (213 Chestnut Ave, Carlton).
- A portion of every sale from this store is donated to Esko PIE to support students.
- Choose from 3 new Esko logos on items.
- Know of an item we are missing that you think would be popular? CreativEdge, located in Carlton, can add it. Call them with requests (218-340-3441).
- Parents sometimes want the team jersey...or a player loses theirs. Team sports apparel can be added to the store.
- Orders are picked up in-person or shipped to your home.
- Orders will be ready to pick up approximately 10 business days after the order is submitted.

Winterquist Elementary School 2026-2027 Supply List

Kindergarten School Supply List

Please label all items with your child's name.

Personal Supplies

Gym

- Gym shoes (no black soles)

Additional Items

- Boys: 1 large box of Kleenex
- Girls: 1 container of disinfecting wipes (e.g., Clorox wipes)
- Nielsen & Johnson classes only: 2 red pens

2026 Kids Heart Challenge

The 2026 Kids Heart Challenge has come to an exciting close, with our students raising an incredible \$30,679! Our students continue to show remarkable compassion and dedication to helping save lives—both young and old—affected by heart conditions.

We extend our heartfelt thanks to everyone who contributed to the Kids Heart Challenge. A special thank-you goes out to the parents of participating students—your support is truly the backbone of our students' and school's success.

We would also like to recognize and thank our wonderful volunteers: Mrs. Melissa Halverson, Ms. Jessica Uecker, Mrs. Jill Harder, Mrs. Kara Staples, Mr. Kiel Fechelkotter, and the NHS members who helped make this event possible.

Congratulations to our top 10 fundraisers! Thank you for being true HEART HEROES!

Cora Lofgren \$1347.98
Hartley LeBrasseur. \$1,020.03
TJ Bjonskaas. \$1007.33
Audrey Aasen. \$703.26
Oaklyn Nynas. \$555.44
Jack Elwell. \$552.54
Brandon Cocharo \$536.67
Haylee Keniry. \$535.95
Jaxon Hovi. \$502.05
Hailey East \$468.56

Congratulations to these amazing students!

On April 24, 1997, 12 year old Kristin Burkholder died from injuries suffered from a pedestrian-car accident while running for track practice along Canosia Road in Esko. Proceeds from the race benefit the EEF Kristin Burkholder Memorial Scholarship Fund.

The Esko Sports Alliance will be inducting four individuals into the Esko Sports Alliance Hall of Fame on Saturday, August 8, 2026. These individuals were selected by a community selection committee.

Jesse Bertogliat – Jesse was an exceptional Esko athlete while participating in football, hockey, baseball, and track and field. He displayed exceptional SISU with his leadership, determination, and Esko pride.

Jesse served as a football captain and earned Polar League All-Conference honors two years. He was also selected to the Tri-State football team. He captained the 1992 CEC hockey team and led them to the Minnesota State Hockey tournament. He earned All-Conference honors three years and was All-State his senior campaign. He was also a finalist for Minnesota’s Mr. Hockey. He went on to play collegiate hockey for the Minnesota Golden Gophers. He also qualified for the Minnesota State Track and Field meet state meet in the shot put in 1991 and 1992. He also doubled up and earned two letters in baseball during his career.

Russ Davidson - Russ was a 1969 Esko high school graduate. Upon graduation from the University of Minnesota Duluth, he started a 35 year teaching career at his alma mater, Esko. Russ participated in four sports - football, basketball, baseball and track and field. Russ has exemplified SISU with his steady support of Esko athletics and the Esko community. He was the instigator of the Esko Turf Club which helped transform Esko’s North Field into a state of the art athletic facility.

Russ was a very capable high school athlete in all four sports but was a standout in basketball. In his senior campaign, he led Esko in

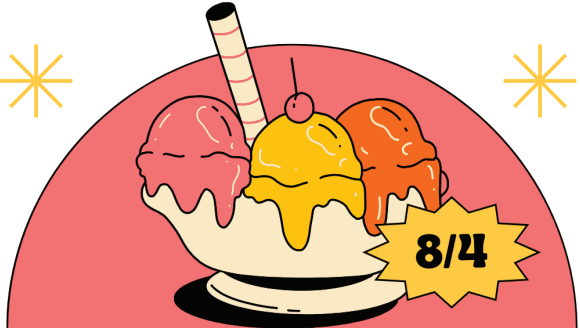

scoring with an average of 19.4 points per game. He was also an excellent playmaker and a pesky defensive player.

(Cyndee) CJ Johnson – CJ graduated from Aurora Hoyt Lakes high school and Gustavus Adolphus College in St. Peter, MN. CJ went on to complete a 44 year career as a physical education instructor at the Esko Public Schools. With the onset of girls’ sports in the mid-seventies, CJ was instrumental in developing the girls’ volleyball and girls’ track and field programs, which she coached for 21 years.

CJ was the 2004 MNAHPERD Elementary Teacher of the Year and the 2015 MNSHAPE Central District Middle School Teacher of the Year. CJ was an avid curler and was also named the 2004 USCA Curling Coach of the Year. Tragically CJ passed away at the age of 69 in September of 2024. Blessed be her memory and positive influence on Esko athletics!

Sami Mattson – Sami was a 2007 Esko high school graduate and one of the best female athletes to ever dawn the blue and gold. She was an exceptional basketball player and tremendous softball player.

Sami was a three time Polar League All-Conference selection in basketball and the conference MVP her senior season. She is a member of the 1,000 point club and led her teams to the Minnesota State Tournament her junior and senior seasons. She also competed in the Minnesota Coaches Association All-Star series following her senior year. In softball, she was a three-time Polar League All-Conference selection, a two time all-section selection, and All-State for two years. She went on to have a tremendous college softball career at Concordia University in St. Paul, MN.

From the Thomson Town Board

Greetings,

Spring has come quickly! We are all excited as the school year winds down and the weather gets closer every day to feeling like summer. It's a pleasure to write this third article for Esko's Corner with news and helpful information from the Town of Thomson.

Summer is a busy season in Thomson Township as the snow is gone and road restrictions are lifted. The Public Works team will be busy making sure both paved and gravel Township roads, as well as sewers, are maintained throughout the summer. One of the bigger projects right away will be the paving of Randall Avenue. This was a sewer extension project completed last summer due to multiple interconnected sewer lines that needed to be corrected. The Township had the sewer line extended down Randall Avenue so each residence could have an individual compliant connection. As soon as road restrictions are lifted, the road will be paved. There is a tentative start date during the week of May 26 for paving to begin. Residents around Randall Avenue, Flynn Street, Maple Drive, and the surrounding neighborhoods should be aware of increased truck and equipment traffic during that time.

Another important thing for all residents to be aware of is the upcoming election. There is a general midterm election on Tuesday, November 3, and there will be several important races on the ballot. We will have the opportunity to vote for the federal offices of United States Senator and United States Representative. Every statewide executive office will be up for election, including Governor, Secretary of State, Attorney General, and State Auditor. Our state legislative seats, Senate District 11 and House District 11A, will also be up for election.

Last but not least, there will be several local offices on the ballot, including Carlton County Commissioner District 2, County Sheriff, County Attorney, three Thomson Township Board seats, three Esko School Board seats, and Soil and Water Conservation District seats.

Both Thomson Township and Carlton County are in need of election judges. If you or someone you know is interested in serving, please visit our website and click on the "Looking for Election Judges" announcement on the homepage or on the "Election Information" page under the "Government" tab, or email clerk@townofthomsonmn.gov.

The filing dates for federal, state, and county offices are May 19 through June 2. The filing dates for local offices are July 14 through July 28.

If you would like to book the community room at the Town Hall or the pavilion at Northridge Park for a graduation party or other event this spring or summer, please visit townofthomsonmn.gov/facility-reservations/ or call the office at 218-879-9719.

Have a great summer!

Some reminders:

- Please do not place garbage cans in the road or right-of-way. It is against the law in Minnesota (see MN Statute 169.42).
- If you are planning any large projects, keep in mind that permits are required in Thomson Township. Please visit our website or contact our office for more information.
- Please remember to clean up after pets if using the walking paths from Maple Drive to the school and from the school to the athletic complex. Take advantage of the waste bags provided along the path if needed.
- The Township Board of Supervisors meets on the first and third Thursdays of every month at the Thomson Town Hall, 25 E. Harney Road, at 5:00 PM.
- For more information, visit www.townofthomsonmn.gov or download our app, "Thomson Twp Esko Connect."
- Office hours are Monday–Friday, 9:00 AM–4:00 PM.
- Recycling shed hours are Wednesday–Friday, 2:00 PM–6:00 PM, and Saturday, 9:00 AM–1:00 PM.

On behalf of the Thomson Town Board and Staff,
Nathan Barta

at cstoskopf@esko.k12.mn.us or 218-879-1909**

All proceeds will support Esko Athletic Programs!

DOGS AND CATS

Thomson Township has a leash - running at large
ordinance. This applies to all areas of the Township.
All animals must be under their owner's control at all
times and not on neighboring properties.

And as a reminder: Please pick up after your pet.
Your neighbors appreciate it. There's also a link to a
video on the Town website: <https://townofthomsonmn.gov>
with more information on the effects of animal waste on
the local waterways.

RECYCLING SHED HOURS

The recycling center is located at the Town Hall
at 25 E. Harney Road.

Year-round hours of operation are:

Wednesday, Thursday, Friday

2 p.m. to 6 p.m.

Saturday 9 a.m. to 1 p.m.

The staffed facility in Esko is for residential recycling only.

A list of items that are accepted can be found at: www.co.carlton.mn.us/254/Recycling-in-Carlton-County

With the increase in on-line shopping there has been an increase in card-
board being recycled. If you have a large amount of cardboard, please bring
it directly to the Carlton County Transfer station at 1950 Highway 210, Carlton.
All boxes must be broken down before putting them in the dumpster.

Please do not leave items at the facility when it is unattended.

TOWN BOARD MEETINGS

The Town of Thomson Board of Supervisors holds their regular meetings
on the first and third Thursdays of each month at 5:00 p.m. The meetings are
held in the Town Board Room at the Town Hall, 25 E. Harney Road. Meetings
are currently being held with an option to attend virtually via Microsoft Teams.
Check the Town website: thomson.govoffice.com for details for each meeting.

THOMSON TOWN OFFICE

The Thomson Town Office is located at 25 E. Harney Road.

Office hours are Monday - Friday, 9:00 a.m. to 4:00 p.m.

WEBSITE CHANGES

The Town of Thomson's website is <http://townofthomsonmn.gov>.

New permitting software has been added and permits can now be taken
online at <http://us.cloudpermit.com> or on the Town's website.

New scheduling software for the community room and Northridge Park will
be available in the near future.

TOWN HALL RENTALS / NORTHRIDGE PARK PAVILION

Remember: The Town Hall and Northridge Park Pavilion are available for
private rentals. Contact the Town Office at 879-9719 for details or visit our
website, <http://townofthomsonmn.gov>.
